

# Don't let holiday expectations dim your light.

1. What does your perfect holiday look like? Engage your imagination and describe it without any limitations.
2. What is achievable in implementing this perfect plan? Consider financial restrictions, family obligations, and schedules.
3. What is in your control and what is out of your control?
4. With these limits in mind, reform your holiday plans.

Pray with me: Lord, I give you my plans, I trust you with all of my days. I know you'll go with me throughout the holiday season. Help me prioritize You above all else. I place my faith in You and embrace Your peace and joy. In Jesus' name, Amen.
